15.

BOTSWANA

ORGANIZATION	PROJECT DESCRIPTION	ALBERTA GOVERNMENT CONTRIBUTION		
		CASH	KIND	TOTAL
MATCH International Centre	Garment Production, Mahalapye, BOTSWANA. To assist a group of 10 women who are the sole source of incomes for their households to establish themselves in a garment production business (dress goods and school uniforms), by leasing premises and machines, surveying markets, and providing the women with technical assistance, managerial skills and marketing information and skills.	2,412.00		2,412.00
Unitarian Service Committee of Canada (USC Canada)	Market Gardening, D'Kar, Ghanzi, BOTSWANA. To assist in establishing a 4 hectare market gardening operation based on a drip irrigation system, by providing fencing, shade netting, a storeroom/shed/workshop, some salaries to initiate the project and a horticulturalist and marketing/business manager to market effectively the vegetables and other products produced in other phases of the program e.g. leather, leather goods, handicrafts, etc., to improve the incomes of over 400 people.	21,467.00		21,467.00
CUSO	Income Generation for Women, BOTSWANA. To assist in improving the incomes of women throughout the country by promoting women's economic activities in the rural sector, through identifying the constraints on women's participation in production in the rural economy and in the problems encountered in income generating projects, identifying the needs in improving production skills and management skills and initiating training programs to upgrade these skills in co-operation with government, donor agencies and NGOs.	3,750.00		3,750.00
		\$27,629.00		\$27,629.00

1987-88

16.

BRAZIL

ORGANIZATION	PROJECT DESCRIPTION	ALBERTA GOVERNMENT CONTRIBUTION		
		CASH	KIND	TOTAL
Change for Children Association of Alberta	Juice Drink Business, Periperi, Salvador, Bahia, BRAZIL. To assist in establishing a production co-operative with 20 young street vendors to produce juice soft drinks (Baianinha), a drink made from cooked fruit juice, with a future plan also to produce popsicles, for the purpose of supplementing family incomes and enabling the youth to begin or continue education, with one third of the income going to the vendors, one third to the co-op to pay-off initial capitalization and maintain supplies and one third divided equally among the co-op members as an education bonus, with other co-ops being formed as the initial capitalization is paid-off.	4,000.00		4,000.00
Change for Children Association of Alberta	Health Clinic, Salvador, Bahia, BRAZIL. To assist in establishing a community health clinic on the upper floor of the community school, in a community of 4000 people with no health care, in co-operation with a volunteer medical doctor and two volunteer nurses, who will be engaged in training community health workers and health monitors during weekly visits to the clinic, with the total program to include basic health care, pre-natal classes, first aid, and instruction on sanitation, hygiene, nutrition and disease transmission.	4,000.00		4,000.00
Change for Children Association of Alberta	Broom/Brush and Fishing Net Co-op, Bahia, Salvador, BRAZIL. To assist in establishing a broom/brush and fishing net co-operative, for which a market study has shown there is a demand, with a membership of 25 young people, and which studies have indicated ought to be a self-supporting, profitable business in two years, by providing the initial start-up costs, such as rental of space for a production centre, raw materials, vehicle rental for transporting materials and finished products, and meeting some operating costs, in order to provide incomes and sense of self-worth to young, uneducated people who presently live by their wits on the streets.	4,000.00		4,000.00

1987-88

17.

BRAZIL

ORGANIZATION	PROJECT DESCRIPTION	ALBERTA GOVERNMENT CONTRIBUTION		
		CASH	KIND	TOTAL
Canadian Catholic Organization for Development and Peace (CCODP)	Grass-roots Health, Canjica, Bela Vista, Nova Guanabara and Cuiaba, Mato Grosso, BRAZIL. To assist in supporting health education and basic health care programs in four neighbourhoods, by means of discussion groups in the communities, nursing services, home visiting and medical consultations, with the programs including pre and post natal care, health care for women, family planning, training of midwives, nutrition and child care education and preventive health care e.g. diarrhea and skin diseases, contributing to the improvement of health care and health standards among the people of the neighbourhoods.	17,500.00		17,500.00
Rotary District 536 Development Society	Wash House, Belo Horizonte, State of Minas Gervais, BRAZIL. To assist in establishing a community laundry facility in a slum community of 30,000 people, by providing and equipping a facility where people in the community can wash their clothes in a sanitary manner and dispose of wash water into the sewer system, contributing to the overall health of the community by improving hygiene and sanitation conditions.	8,100.00		8,100.00
Pueblito Canada Incorporated	Health and Nutrition Training, Belo Horizonte, Minas Gerais, BRAZIL. To assist in strengthening 60 day care programs organized and run by low-income mothers in the area's slums, by providing training in health care, hygiene and nutrition for the day care workers and health promoters, developing printed materials on child health for use among the workers and the mothers and providing medicines and food for day cares that are in dire need.	10,049.00		10,049.00
		\$47,649.00		\$47,649.00
